

Handkerchief and Egg Magic Trick

This magic trick is fun and easy and uses materials you may already have around your home.

Remember, it's always a good idea to practice at home first!

Suggested Materials:

- ❖ 1 x egg
- ❖ 1 x handkerchief
- ❖ 1 x pen

Suggested Instructions:

Step 1: At home, carefully poke a hole in a raw egg with your pen. Drain the contents. Wash the inside of your egg shell and wait until it is completely dry.

Step 2: Take your handkerchief and gently poke it through the hole until it is hidden inside your egg.

Step 3: At school, tell your audience that you have lost your magic handkerchief. Ask whether anyone has seen it.

Step 4: Tell them you will look for it later. Tell them you've decided to eat an egg instead. Hold up your egg so that the hole is facing away from the audience. Cover the hole with your thumb or finger.

Step 5: Now take your egg shell and crack it open on the edge of a desk. Your magic handkerchief is inside. Amazing!

Note: Practice this trick at home before trying it at school.
