

## Paleontologists

### Instructions for Creating an Interesting Book or Poster for Show and Tell

#### **Suggestions on how to use this document:**

##### **Suggestion 1: Ready-to-Print Book**

- ★ Print pages 2 to 5 of this document.
- ★ Add your child's name to the space provided on the title page.
- ★ Staple all pages of your child's book down the left hand side OR attach one staple to the top left hand corner of the book.
- ★ Present to class! (Your child's teacher will assist with reading if needed).

##### **Suggestion 2: Make a Poster**

- ★ Print pages 2 to 5 of this document.
- ★ Add your child's name to the title page and paste your title onto the centre of a piece of poster-size cardboard. (You may need to cut the title to a smaller size to fit everything on your poster).
- ★ Cut all pictures and captions and paste them around the title.
- ★ Present to class! (Your child's teacher will assist with reading if needed).

##### **Suggestion 3: Do-it-Yourself Book**

- ★ Print page 2 of this document and add your child's name to the space provided.
- ★ Print 6 copies of page 6 (ie. the framed, blank book page ready for your child's own illustrations and labels).
- ★ Draw and label 1 item per page....OR....Find, cut, glue and label 1 item per page using suitable images from the Internet, magazines or your own photograph collection.
- ★ Optional: print page 7 and complete the sentence: "I'd like to be a Paleontologist because.....", and draw a picture in the space provided.
- ★ Staple all pages of your child's book down the left hand side OR attach one staple to the top left hand corner of the book.
- ★ Present to class! (Your child's teacher will assist with reading if needed).

# Paleontologists

by

.....

.....

**Paleontologists** investigate life from prehistoric times.

**Paleontologists** dig for fossils of prehistoric animals like dinosaurs.

Paleontologists dig for fossils  
of prehistoric plants.

Paleontologists put dinosaur  
skeletons back together.

Paleontologists work outdoors.

Paleontologists work in laboratories too.

I'd like to be a Paleontologist because
